

AMENDMENTS TO THE SPECIFICATION

Please amend paragraph [0030] beginning at page 12 of the application according to the following marked up version of the paragraph:

[0030] Figure 2 illustrates a network environment 200 in which the principles of the present invention may be employed. The network environment 200 includes a computing system 201 that may communicate over a network 240 with a number of different target hardware devices 250. The computing system 201 may be, for example, the computer 120 described above or any other computing system.
